Instructions for Reimbursement

General Instructions

- To request reimbursement, a statement, bill or receipt from your service provider(s) showing the services received, must be attached. This statement must clearly identify the service provider, date and type of service provided, and amount of expense. Please note that signed receipt is required for Dependent Care reimbursement as noted below.
- Reimbursement cannot be claimed if the cost can be reimbursed under any other source.
- Services must have been incurred to receive reimbursement. You may not request reimbursement until you have received the service, regardless of when you pay for it.
- Reimbursement can only be made for expenses resulting from services that have been provided within your period of coverage.
- The expenses for which you receive reimbursement cannot be claimed on your income tax return.
- According to IRS regulation, any unused year-end balance in your spending account, may not be carried over to the next plan year. It will be forfeited to your employer.
- If a service is provided during your current period of coverage and will continue to be provided in a subsequent plan year, you will not receive reimbursement for the services you receive in that subsequent plan year unless you reenroll in the account(s) and submit a reimbursement request form for that period.
- If dates of service begin in one plan year and end in the next plan year, and you are enrolled for both years, please prorate the expenses and complete a separate form for each plan year.
- Your employer has allowed for a grace period after the end of your plan year which you may submit reimbursement requests for services which occurred during the period of coverage. Refer to your enrollment book for detailed information.
- Copies of cancelled checks are not sufficient documentation of incurred expenses.
- Please send legible photocopies of your original statements, bills or receipts.
- Be sure to sign and date this form, after reading it carefully.
- You may access your account information or request Reimbursement Request forms, 24 hours each day, by calling our toll-free Interactive Benefits Information Line at 1-800-865-3262.
