About the MetLife Dental Plans

Pre-determination of benefits:

Pre-determination of benefits should be requested for a program of treatment which the dentist estimates will be more than \$200. This provision does not apply to charges for emergency treatment.

How does the MetLife Preferred Dentist Program (PDP) work?

Dentists who participate in MetLife's Preferred Dentist Program (PDP) have agreed to accept a schedule of maximum fees for services rendered. These scheduled fees are below the average Reasonable & Customary charge. Additionally, dentists agree not to charge for the oral examination during periodic checkups other than the initial exam under the program.

At the point of service, you decide whether to use a dentist in the PDP or any other dentist. Your out-of-pocket costs are less when services are rendered by a participating dentist.

How do I know if a dentist is in the MetLife Preferred Dentist Program (PDP)?

Visit www.metlife.com/mybenefits for a PDP listing of the participating dentists in the South Florida area. To find a participating dentist in your area, call 1.800.474.PDP1 (7371), Monday-Friday, 6 a.m.-11 p.m. (ET), and Saturday, 7 a.m. – 4 p.m. (ET). Input the information as requested and a customized PDP directory will be mailed to you.

How can I make an appointment with my dentist?

You may schedule appointments by calling a dentist with MetLife's Preferred Dentist Program (PDP) or any other licensed dentist you choose on or after your effective date of coverage. When you arrive at your dental office, notify them that you have insurance benefits through Metropolitan Life Insurance Company. It will be necessary to use claim forms in order to receive reimbursement.
